

# ANTI-DRUG WORLD FEDERATION (ADWF)

## APPOINTMENT LETTER

The **Anti-Drug World Federation (ADWF)** hereby appoints

**SIMÓ ZOLTÁN**

to the position of

## NATIONAL COORDINATOR OF ROMANIA

In this role, **Simó Zoltán** will officially represent the Anti-Drug World Federation (ADWF) in Romania and contribute to the development and expansion of the Federation's national network.

His responsibilities will include:

- representing the mission, values, and objectives of ADWF in Romania;
- establishing and developing cooperation with sports organizations, educational institutions, municipalities, public authorities, churches, civil society organizations, and other potential partners;
- identifying and supporting organizations and professionals interested in joining the ADWF international network;
- promoting drug prevention, youth protection, healthy lifestyles, sport, education, and community-based prevention programs;
- supporting the development of ADWF prevention initiatives and educational programs in Romania;
- helping establish relationships with companies and potential partners within the framework of ADWF's CSR and ESG-based cooperation programs;
- recruiting and coordinating volunteers and regional representatives where appropriate;
- supporting national awareness campaigns, events, conferences, school programs, and sports-based prevention activities;
- maintaining regular communication with the international leadership of ADWF and reporting on the development of activities in Romania;
- contributing to the long-term establishment of a strong and sustainable ADWF national network in Romania.
- 
- 

This appointment is **honorary and voluntary in nature** and does not constitute an employment relationship.

The National Coordinator shall perform his activities in accordance with the mission, principles, and international objectives of the Anti-Drug World Federation.

By signing below, the appointee accepts the position of **National Coordinator of Romania** and agrees to support the mission and objectives of ADWF.
